OĞUZ YURTOĞLU

oguzyurtoglu@gmail.com | oyurtoglu22@ku.edu.tr | +90 539 890 80 26 | LinkedIn: oguz-yurtoglu | Istanbul, Türkiye

PhD Candidate in Economics | Urban & Housing Economics | Network & Time-Series Methods

EDUCATION

Koç University — PhD in Economics (GPA: 3.19) Sep 2022 – Present
Dissertation: Housing Market Networks and Spillovers (Advisor: Prof. Kamil Yılmaz)

Trinity College Dublin — MSc in Economics (with Merit) Sep 2021 – Aug 2022

Istanbul Technical University — BSc in Management Engineering (GPA: 3.3/4.0) Sep 2016 – Aug 2020

RESEARCH & PROFESSIONAL EXPERIENCE

Research Assistant — BETAM (Bahcesehir University Center for Economic and Social Research), Istanbul Oct 2024 – Jan 2026

- Co-authored recurring macro publications on growth outlook/forecasts; contributed to data preparation, analysis, and drafting.
- Conducted survey-data cleaning and analysis (Stata/R) for extensive field research projects; delivered reproducible datasets and analytical tables for reports.

Assistant Business Analyst — Yapı Kredi Teknoloji, Istanbul Oct 2020 – Aug 2021

- Gathered requirements and produced functional analyses for switch/clearing processes; tested releases and coordinated feedback loops.
- Supported integration of Yapı Kredi as an acquirer into the JCB system, contributing to end-to-end validation.

RESEARCH OUTPUTS / WORKING PAPERS

- Gürsel, Seyfettin and **Yurtoğlu, Oğuz** (2025). "Türkiye'de Derin Yoksulluk." *Betam Araştırma Notu* 25/280.
- **Ekonomik Büyüme Tahminleri (Monthly series)** — with Seyfettin Gürsel and Ozan Bakış, **Oct 2024–Dec 2025** (multiple issues).
- **Büyüme Değerlendirmesi (Quarterly series)** — with Seyfettin Gürsel and Ozan Bakış, **Oct 2024–Dec 2025** (multiple issues).
- *Full list of issues and links available upon request.*

INTERNSHIPS

Payment Systems Intern — Akbank, Istanbul Jul 2019 – Sep 2019

- Developed improvement proposals for payment systems communication channels using call center records.
- Analyzed campaign performance for consumer and commercial credit card products.

Supply Chain Intern — Unilever, Istanbul Jul 2018 – Dec 2018

- Improved third-party manufacturing and re-pack operations; redesigned processes and reduced labor cost by approximately 10%.

SKILLS

Econometrics & Data: Stata, R, SQL | **Tools:** LaTeX, Microsoft Office, MATLAB | **Languages:** English (advanced) — IELTS 7.5; YDS 92.5
